Te Wai Maori  
Trustee Limited

## Introduction

 WAI MAORI

Te Wai Maori  
Trustee Limited

- The last 12 months have been pivotal as we move to a focussed approach on habitat protection and enhancement

## Outcomes 2008 - 2009

### *Reports*

- Customary and commercial opportunities for freshwater aquaculture
- Information paper for iwi and Maori on the management and allocation of fresh water in New Zealand

## Outcomes 2008 – 2009 *Continued*

- Continued funding freshwater research projects
- Seafood Industry Training Organisation (SITO) collaboration

## Consultation Hui

### *Purpose*

- Visit our strategic direction
- Maori interests in freshwater fisheries

## Performance Audit

Clearer definition of the term  
'Maori interests in freshwater fisheries'

Interests are diverse and include a range  
of priorities that vary between each group

## Capitalisation

- Received \$10 million
- Further \$1 million each year for 10 years
- Ongoing annual funding will be limited to the income generated

## Next 12 Months

- Habitat protection and enhancement
- At the nexus of a full range of priorities and initiatives
